About me

I am Ankit, a UX/UI designer who is also learning web design at the moment while I work toward my graduation from Vit Vellore University in Tamil Nadu.

Experience

Experience

I have completed several excellent projects, am currently working on others, have experience from three internships, and have participated in design groups and chapters at my institution, which has given me further experience.

Dedication

I can assure you that if you give me the chance, I will give it my all. I am genuinely passionate about my profession and the sector in which I operate, so I can devote all of my time to it.

Hobbies

Avid fitness enthusiast, reading, travelling
